SSLC (12th Grade) **2020 - 2021**	Vidyaniketan Matriculation Hr. Sec. School, Vellore	84.17%
SSLC (10th Grade) **2018 - 2019**	GlazeBrooke Matriculation Hr. Sec. School, Salem	76.40%

PROJECTS

ElevateU - Hackathon 2025

- Designed and built a full-stack web application as an interactive platform for skill exchange among students.
- Enabled students to teach a skill and earn e-coins, which could be used to learn new skills.
- Focused on providing a cost-free learning ecosystem while broadening knowledge.

NeuroScan - Final Year Project

- Developed a web application leveraging AI/ML to predict brain tumor presence and its stage.
- Implemented machine learning models to analyze medical data, provide accurate 98% diagnostics and generated automated medical reports.
- Focused on enhancing early detection and accessibility through technology.

Newsify - "Stay Informed, Stay Ahead"

- Developed a one-stop news web application to deliver updates from various domains. Built using HTML, CSS, and JavaScript.
- Consolidated news from multiple sources, ensuring easy access to diverse information in one place.

ACHIEVEMENTS

- Executive Member - Informatica Club.
- Design Team Member - Energy & Environment Protection Club (E2PC).
- Sports House Captain - High School.
